25X1 1. [] - GLC) George Murphy, Joint Committee on Atomic
Energy staff, called again on the subject of possession by the Soviet Union
of small nuclear weapons and their deployment outside the Soviet borders.
Murphy said he had passed on my message on this but since there was some

25X1 6. [] - JSW) Colonel Edward Lightfoot in Air Force L&L called to advise that they have been alerted for hearings of the Preparedness Investigating Subcommittee of Senate Armed Services in early June on the subject of missile reliability. He also informed us that in their discussion with the Subcommittee staff it was learned they hope to have Mr. McCone as the lead off witness. The Subcommittee staff has not been in touch with the Agency on this as yet and we will look into the matter.

25X1 8. [] - JSW) Martin Cramer, Bureau of the Budget, telephoned on S. 822, the Freedom Academy bill in connection with a proposed report which we had sent over on 5 April 1961.
